Addendum #2

Increase in sub-contracting to not more than 50%

Sub-contracting: The contractor shall not sub-contract more than 50% of the dollar value of the project. If the contractor intends to use sub-contractors, they shall be named on the bid along with the work it is intended for them to perform. They shall be subject to the same qualification requirements as the contractor. The contractor shall be responsible for all actions and performance by his sub-contractors including the payment of prevailing wages and the submission of payrolls.
